

Appendix E4

Groups Consulted during Public Participation Plan Development

Federal rules for implementing SAFETEA-LU require SACOG to develop a participation plan that defines a process for providing the following groups with reasonable opportunities to be involved in the metropolitan transportation planning process. Many individuals as well as organizations responded to SACOG's request for updating the Public Participation Plan. Those contacted were invited to comment on the PPP, attend an advisory group meeting, speak with staff, or decline to consult. Many more organizations were contacted to consult that chose not to respond.

Groups Required for Consultation:

- Public agencies
- Representatives of public transportation employees
- Freight shippers
- Providers of freight transportation services
- Private providers of transportation
- Representatives of users of public transportation
- Representatives of users of pedestrian walkways and bicycle transportation facilities
- Representatives of the disabled
