

**Matt Carpenter, AICP**  
Director of Transportation  
Planning

Director of Transportation Services, Matt Carpenter oversees transportation planning, programming and project delivery efforts at SACOG.

Mr. Carpenter was the project manager of the award winning Metropolitan Transportation Plan for 2035 (MTP2035). As the first MTP to be informed by the Blueprint, it is a vision that reflects integrated transportation, land use and air quality planning. The long range MTP2035 vision is now being implemented by near term transit, bicycle, pedestrian and road investments, many of which are partially funded through SACOG.

Prior to joining SACOG in 2001, Carpenter was a planning consultant in the Midwest and East Coast. He holds a Masters in Urban Engineering from the University of Tokyo and a Masters in City Planning with a Certificate in Urban Design from the Massachusetts Institute of Technology (MIT). He lives in Sacramento.
