Contract for Transit Planning Technical Assistance for Sacramento County

Issue: To authorize the Executive Director to execute a contract with Sacramento County to provide SACOG technical assistance to Sacramento County for transit services in Eastern and Southern Sacramento Counties.

Recommendation: The Strategic Planning Committee recommends that the Board authorize the Executive Director to execute a contract with Sacramento County to provide technical assistance services to Sacramento County.

Committee Action/Discussion: The Sacramento County Department of Transportation has requested that SACOG provide transit technical assistance to the County for the management and operation of the transit programs in Southern and Eastern Sacramento County. The services provided under this agreement are at a level above and beyond those normally provided by SACOG in its on-going work with the region's transit operators. The scope of services include the full range of transit management and administrative service required for the operation of a transit program including grants management, contract and service monitoring, purchase of equipment, development of a RFP for transit operations and management services and other related activities.

The contract is for \$85,000 and the term of the agreement runs through January 2009.
