2) **Information Sharing.** Jason Crow noted that there will be a National Urban Freight Conference December 5-7 in Long Beach. Jim Jester provided an update on the Cascade Sierra Solutions Showroom to be constructed at the 49er Truck Stop. The facility will be built with local air district funds instead of the \$200,000 CMAQ grant as originally proposed. This will ensure that the project is not further delayed. Bob Rosenberg asked about the goods movement conference held in West Sacramento. Tom Scheeler said that Mike Luken had attended that session and noted that there was also a short sea shipping conference in Oakland. He also mentioned that A&A Cement received their first ship of cement at the Port of Sacramento. Rob Leonard announced that he will be leaving Sacramento County Airport Systems and going to Sacramento County Economic Development.

3) **Action Summary of April 10, 2007 Meeting.**

4) **How Sacramento Fits into the International Air Cargo Network, (Bob Rosenberg, Inve\$tnet, Inc.).**

5) **Presentation on Mather Master Plan and Specific Plan Study (John Febbo, Sacramento County Airport System).**

6) **Presentation on the Elk Grove – Rancho Cordova – El Dorado Connector (Robert Lagomarsino, URS).**

7) **City of Rancho Cordova.**

- 8) **Sacramento County – Efforts to Improve Traffic Circulation at Mather Field (Dean Blank, Sacramento County DOT).** Dean Blank provided an overview of the proposed roadway projects around Mather Field. A number of studies have started that would look at a potential widening of Zinfandel to 6 lanes, an extension of Douglas, an extension and widening of Eagles Nest Road, and an extension of Mather Boulevard to the west along the south side of the airport connecting to either Excelsior Road or Jackson Highway.
- 9) **Regional Goods Movement Study Update.** Jason Crow noted that phase 3 of the study is underway and that a presentation will be made by the consultant team at the July 12th GMAG meeting at SACOG.
