Regional Bicycle, Pedestrian, and Trails Master Plan Amendment

Issue: Approval of the 2007 Final Draft Amendment to the Regional Bicycle, Pedestrian, and Trails Master Plan.

Recommendation: Because there was no quorum, the Strategic Planning Committee did not take an official vote on this item. However, it was the consensus of the members present that the Committee recommend that the Board adopt the attached resolution approving this amendment.

Committee Action/Discussion: Funding for the Bicycle and Pedestrian Funding Program is anticipated to be available in fall 2007. According to the Bicycle and Pedestrian Funding Program Guidelines eligible projects will come from the "High Priority" project list included in the Regional Bicycle, Pedestrian, and Trails Master Plan. Projects in El Dorado and Placer Counties will be funded separately according to their written agreements with SACOG.

The Draft Amendment was released for 30-day public review on May 21, 2007. Attachment A is the final draft amendment to the plan. Revisions to the project list (Appendix B) are in ~~strikeout~~ or bold and highlighted. Where new projects have been added, text is in bold. Where projects have been deleted, text is in ~~strikeout~~. Where projects have been revised, portions of text are in ~~strikeout~~ and replaced with bold text. In some cases, single projects have been replaced with multiple smaller projects, such as on page one, Elk Grove Creek, Laguna Boulevard to Waterman Road, has been replaced with six smaller segments.
