### SACOG Public Transit and Human Services Transportation Coordinated Plan

**Issue:** To obtain Board approval, by resolution, of the SACOG Public Transit and Human Services Transportation Coordinated Plan and the submission of the plan to the appropriate state and federal agencies.

**Recommendation:** Because there was no quorum, the Strategic Planning Committee did not take an official vote on this item. However, it was the consensus of the members present that the Committee recommend that the Board approve by resolution the SACOG Coordinated Plan and the submission of the Plan to the appropriate state and federal agencies.

**Committee Action/Discussion:** SACOG has completed the Public Transit and Human Services Transportation Coordinated Plan. The SACOG Coordinated Plan is a requirement of the *Safe, Accountable, Flexible, Efficient, Transportation Equity Act: A Legacy for Users* (SAFETEA-LU). The SACOG Coordinated Plan follows the March 23 and September 6, 2006, and March 29, 2007, Federal Register requirements reflecting the Federal Transit Administration (FTA) elements of a coordinated plan.

The SACOG Coordinated Plan was released for public review on June 21, 2007. Comments on the SACOG Plan are being accepted via the SACOG website, e-mail, phone, fax, regular mail, as well as in person. The public comment period closes on, July 19, 2007.

The Coordinated Plan is required in order for designated recipients to accept applications for, select projects and distribute funding under the FTA Elderly Individuals and Individuals with Disabilities Capital Program (Section 5310), Job Access and Reverse Commute program (Section 5316), and New Freedom program (Section 5317). These projects must come from a locally developed coordinated public transit/human services transportation plan.

The attached SACOG Coordinated Plan includes all applicable public comments received by June 12, 2007. Any additional comments received after June 12 will be presented to the SACOG Board at its July 19 meeting.
