Transportation Development Act Claim for the City of West Sacramento, City of Wheatland, and the City of Yuba City

Issue: The Transportation Development Act provides that cities, counties, and transit operators are eligible to receive certain funds for transportation purposes and street and road projects. The funds are made available from sales tax receipts. The City of West Sacramento, the City of Wheatland, and the City of Yuba City have filed Transportation Development Act claims.

Recommendation: Staff recommends that the Board approve by resolution the Transportation Development Act claims for the City of West Sacramento, the City of Wheatland, and the City of Yuba City:

- | | | |
|----|--|--------------------------|
| 1. | City of West Sacramento in the amount of \$1,927,290 | Resolution No. 68 – 2007 |
| 2. | City of Wheatland in the amount of \$110,946 | Resolution No. 69 – 2007 |
| 3. | City of Yuba City in the amount of \$1,940,127 | Resolution No. 70 – 2007 |

Committee Action/Discussion:

These funds will be used for various purposes as authorized by law in the amounts to be shown on the resolution. The claim has been reviewed by staff and found to be in compliance with the Transportation Development Act. The claim is also consistent with the Metropolitan Transportation Plan, the Yolo County Short Range Transit Plan, and FY 2007-08 unmet transit needs finding resolutions for the City of West Sacramento. The claim meets the requirements of the unmet transit needs finding resolutions for the City of Yuba City for FY 2007-08 and the City of Wheatland for FY 2007-08 and is consistent with the Yuba – Sutter Transit Short Range Transit Plan. Current Board policy calls for routine Transportation Development Act allocations to cities and counties to come directly to the Board without review by a committee.
