Information**

## **Strategic Planning Committee**

December 31, 2007

### **Update on Regional Housing Needs Allocation**

**Issue:** An update on the Regional Housing Needs Allocation (RHNA).

**Recommendation:** No action is necessary. Greg Chew, SACOG staff will provide an update on what has happened between October 29, 2007 when the Board last heard information on the RHNA and the committee date.

**Discussion:** At its October 29 meeting, the SACOG Board designated December 14, 2007, as the deadline for the submission of appeals. As of December 14<sup>th</sup>, no appeals were filed. Since there were no appeals filed, a public hearing to hear and decide upon the appeals is not necessary. The Board shall issue a proposed final allocation and hold a final public hearing to adopt the allocation plan at the February Board meeting.
