Update on Regional Targets Advisory Committee

Issue: The Air Resources Board has established the Regional Targets Advisory Committee (RTAC) to develop recommendations on regional greenhouse gas targets per SB 375.

Recommendation: None. This item is for information only.

Discussion: On January 23, 2009, the California Air Resources Board (CARB) appointed members to the RTAC created by SB 375. The RTAC is required to recommend factors to be considered and methodologies to be used for setting regional greenhouse gas reduction targets. The committee's recommendations are due to ARB by no later than September 30, 2009.

Mike McKeever was appointed by CARB to be the chairman of the committee. SACOG Board member and Sacramento County Supervisor Roger Dickinson was appointed to the committee as the representative of the California State Association of Counties. The membership list is attached (Attachment A).

The first meeting is being held on February 3, 2009. A summary of the meeting will be presented at the Committee meeting. The agenda for the RTAC meeting is attached (Attachment B).
