Approve Transportation Development Act Claim: City of Live Oak

Issue: The Transportation Development Act provides that cities, counties, and transit operators are eligible to receive certain funds for transportation purposes and street and road projects. The funds are made available from sales tax receipts. The City of Live Oak has filed their FY 2008-2009 Transportation Development Act claim.

Recommendation: Staff recommends that the Board approve by resolution the FY 2008-2009 Transportation Development Act claim for the City of Live Oak.

1. City of Live Oak in the amount of \$114,617 Resolution No. 27– 2009

Discussion: These funds will be used for various purposes as authorized by law in the amounts to be shown on the resolution. The claim has been reviewed by staff and found to be in compliance with the Transportation Development Act. The claim is also consistent with the Metropolitan Transportation Plan and the appropriate Yuba-Sutter Transit Authority Short Range Transit Plan. Current Board policy calls for routine Transportation Development Act allocations to cities and counties to come directly to the Board without review by a committee.
