

Government Relations & Public Affairs Committee

Item #09-9-2
Action

August 27, 2009

Amended Lease Agreement for Meridian Plaza

Issue: To review and make recommendations for an amended lease agreement for the office space at Meridian Plaza.

Recommendation: That the Government Relations & Public Affairs Committee recommend the Board approve an amendment to the lease agreement for SACOG's office space at Meridian Plaza.

Discussion: In March 2002, SACOG entered into a 126-month lease agreement for its current office space. Given current market conditions, and our desire to remain in this office space, staff approached the landlord earlier this year to renegotiate the lease. Those discussions have been productive and, while a proposed amended lease is not available at this time, staff hopes to have one available for you at the time of your meeting.
