Rural-Urban Connections Strategy Sacramento County Agricultural Tour

Issue: SACOG will host a Rural-Urban Connections Strategy (RUCS) agriculture tour for Sacramento County on Thursday, October 15, 2009. **Please confirm participation.**

Recommendation: None, this item is for information only.

Discussion: The Sacramento County agricultural tour will be on **Thursday, October 15.**

SACOG will host an ag tour of Sacramento County for the board. The tour will have a park-and-ride start at 5th Street and Broadway in Sacramento. The bus will take board members to Rancho Cordova City Hall for the regular board meeting. The tour will begin following the meeting. The Sacramento County tour has destinations including an urban farm stand that serves a high number of low-income families, a dairy operation, and will feature discussion of rural delta communities unique to the region.

The Sacramento tour will be the final in a series of ag tours that began last year. The previous tours have covered Yolo, Yuba, Sutter, El Dorado and Placer counties. Each tour has looked at challenges and opportunities for local producers and consumers of agriculture, varied land uses and policies related to agriculture, agricultural districts, agritourism, goods movements, and economic sustainability of rural areas.

This tour will follow the previous model with the Board meeting beginning at 9:00 a.m. (at Rancho Cordova City Hall) followed by the tour which will conclude at 4:30 p.m.
