- b. An explanation of the consultant's intended role as related to the role of SACOG
- c. A thorough explanation of the consultant's proposed course of action. References should be made to RFP requirements and the consultant's plans for meeting those requirements. If the consultant proposes major changes to the RFP approach, those changes should be specified clearly. The consultant should specify its technical approach, especially data elements to be sampled, staff to be interviewed, and documents to be reviewed, etc.
- d. An itemized description of the proposed project schedule (including visits, draft and final deliverables) and the deliverables to be produced

6. Consultant and Subcontractor Staff

The proposal must describe the qualifications and experience of each professional who will participate in the project, including a resume for each member of the project team. A project manager must be designated, and an organizational chart showing the manager and all project staff must be included. A matrix must be presented indicating the effort, either in percentage of the total project or in person-hours, which will be contributed by each professional, during each

phase or task making up the project. If a subcontractor will be used, the proposer must include a letter from the subcontractor committing to perform at least the work shown for subcontractor professional in the above-described matrix.

7. Consultant Qualifications and References

The proposal must describe the nature and outcome of projects previously conducted by the consultant which are related to the work described within the RFP. Descriptions should include client contact names, address, phone numbers, descriptions of the type of work performed, approximate dates on which the work was completed, and professional staff who performed the work. If a subcontractor is proposed, two to three similar qualifications and references should be provided for the subcontractor. The cost proposal detail shall describe estimated costs (only the total amount is a binding offer) for each professional's time, for the completion of each proposed task, for travel and per-diem (if applicable), and for materials and supplies. Failure to provide adequate cost data will result in the proposal rejection as unresponsive.

X. PROPOSAL EVALUATION AND SELECTION

A proposal review panel made up of members of SACOG staff will evaluate the proposals. Proposers may be telephoned and asked for further information, if necessary, and may be expected to appear for oral interviews. Previous clients may also be called. The panel will make recommendations to the SACOG Executive Director on the basis of the proposal, oral interview, and reference check. SACOG reserves the right to select a consultant based solely on written proposals and not convene oral interviews.

Upon receipt of the proposals, a technical evaluation will be performed. Each of the major sections of the proposal will be reviewed and evaluated with criteria designed to help judge the quality of the proposal. Evaluation criteria will include such considerations as:

- Understanding of the background and requirements of the project.
- The overall and technical approaches to be followed and the tasks to be performed, including detailed steps and resources required and proposed project schedule.

- The relative allocation of resources, in terms of quality and quantity, to key tasks including the time and skills of personnel assigned to the tasks and consultant's approach to managing resources and project output.
- Cost analysis and justification.
- Education and experience of proposed personnel

In addition, the participation of qualified Disadvantaged Business Enterprises (DBE's) in this project is strongly encouraged. (See Section VIII. G. above.)

The consultant should forward a copy of all invoices for payment for work performed and associated expenses by the 15th day of the following month. At SACOG's discretion, SACOG may withhold ten percent (10%) of the payments until the successful completion of the project and the delivery and acceptance of all final products.

 - f. Contractor's Responsibility: Nothing herein shall be construed as limiting in any way the extent to which Contractor may be held responsible for damages resulting from Contractor's operations, acts, omissions, or negligence. Insurance coverage obtained in the minimum amounts specified above shall not relieve Contractor of liability in excess of such minimum coverage, nor shall it preclude SACOG from taking other actions available to it under this Agreement or by law, including but not limited to, actions pursuant to Contractor's indemnity obligations.
16. Audit, Retention and Inspection of Records:
- a. SACOG or its designee shall have the right to review, obtain, and copy all books, records, computer records, accounts, documentation and any other materials (collectively "Records") pertaining to performance of this Agreement, including any Records in the possession of any subcontractors, for the purpose of monitoring, auditing, or otherwise examining the Records. Contractor agrees to provide SACOG or its designees with any relevant information requested and shall permit SACOG or its designees access to its premises, upon reasonable notice, during normal business hours, for the purpose of interviewing employees and inspecting and copying such Records to determine compliance with any applicable federal and state laws and regulations. Contractor further agrees to maintain such Records for a period of three (3) years after final payment under the Agreement or three (3) years from the conclusion or resolution of any and all

audits or litigation relevant to this Agreement and any amendments, whichever is later.

- b. If so directed by SACOG upon expiration of this Agreement, the Contractor shall cause all Records to be delivered to SACOG as depository.

18. Successors: This Agreement shall be binding on the parties hereto, their assigns, successors, administrators, executors, and other representatives.

19. Waivers: No waiver of any breach of this Agreement shall be held to be a waiver of any prior or subsequent breach. The failure of SACOG to enforce at any time the provisions of this Agreement or to require at any time performance by the Contractor of these provisions, shall in no way be construed to be a waiver of such provisions nor to affect the validity of this Agreement or the right of SACOG to enforce these provisions.

20. Litigation: Contractor shall notify SACOG immediately of any claim or action undertaken by it or against it that affects or may affect this Agreement or SACOG, and shall take such action with respect to the claim or action as is consistent with the terms of this Agreement and the interests of SACOG.

21. National Labor Relations Board Certification: Contractor, by signing this Agreement, does swear under penalty of perjury that no more than one final unappealable finding of contempt of court by a federal court has been issued against Contractor within the immediately preceding two-year period because of Contractor's failure to comply with an order

of a federal court which orders Contractor to comply with an order of the National Labor Relations Board (Public Contract Code § 10296).

22. Americans with Disabilities Act (ADA) of 1990: By signing this Agreement, Contractor assures SACOG that it complies with the Americans with Disabilities Act (ADA) of 1990 (42 U.S.C. § 12101, et seq.), which prohibits discrimination on the basis of disability, as well as all applicable regulations and guidelines issued pursuant to the ADA.

23. Non-discrimination Clause:

- a. During the performance of this Agreement, Contractor and its subcontractors shall not unlawfully discriminate, harass, or allow harassment, against any employee or applicant for employment because of sex, sexual orientation, race, color, ancestry, religion, national origin, physical disability, mental disability, medical condition, age or marital status. Contractor and its subcontractors shall insure that the evaluation and treatment of their employees and applicants for employment are free from such discrimination and harassment. Contractor and its subcontractors shall comply with the provisions of the Fair Employment and Housing Act (Government Code § 12900, et seq.) and the applicable regulations promulgated thereunder (California Code of Regulations, Title 2, § 7285.0, et seq.). The applicable regulations of the Fair Employment and Housing Commission implementing Government Code §§ 12990 (a-f), set forth in Chapter 5 of Division 4 of Title 2 of the California Code of Regulations, are incorporated into this Agreement by reference and made a part hereof as if set forth in full. Contractor and its subcontractors shall give written notice of their obligations under this clause to labor organizations with which they have a collective bargaining or other agreement.
- b. Contractor shall include the non-discrimination and compliance provisions of this clause in all subcontracts to perform work under this Agreement.

24. Drug-Free Certification: By signing this Agreement, Contractor hereby certifies under penalty of perjury under the laws of the State of California that Contractor will comply with the requirements of the Drug-Free Workplace Act of 1990 (Government Code § 8350, et seq.) and will provide a drug-free workplace by taking the following actions:

- a. Publish a statement notifying employees that unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited, and specifying actions to be taken against employees for violations.
- b. Establish a Drug-Free Awareness Program to inform employees about:
 - (1) The dangers of drug abuse in the workplace;
 - (2) The person's or the organization's policy of maintaining a drug-free workplace;

- (3) Any available counseling, rehabilitation, and employee assistance programs; and
 - (4) Penalties that may be imposed upon employees for drug abuse violations.
- c. Every employee of Contractor who works under this Agreement shall:
- (1) Receive a copy of Contractor's Drug-Free Workplace Policy Statement; and
 - (2) Agree to abide by the terms of Contractor's Statement as a condition of employment on this Agreement.

25. Union Organizing: By signing this Agreement, Contractor hereby acknowledges the applicability of Government Code § 16645 through § 16649 to this Agreement, excluding § 16645.2 and § 16645.7.

- a. Contractor will not assist, promote, or deter union organizing by employees performing work on this Agreement if such assistance, promotion, or deterrence contains a threat of reprisal or force, or a promise of benefit.
- b. Contractor will not meet with employees or supervisors on SACOG or state property if the purpose of the meeting is to assist, promote, or deter union organizing, unless the property is equally available to the general public for meetings.

26. Debarment, Suspension, and Other Responsibilities: Contractor certifies and warrants that neither the Contractor firm nor any owner, partner, director, officer, or principal of Contractor, nor any person in a position with management responsibility or responsibility for the administration of funds:

- a. Is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal or state department or agency.
- b. Has within the three-year period preceding this Agreement, been convicted of or had a civil judgment rendered against it for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or contract; violation of federal or state antitrust statutes; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property.
- c. Is presently indicted for or otherwise criminally or civilly charged by a government entity (federal, state, or local) with commissions of any of the offenses enumerated in paragraph "b" above.

- d. Has within a three-year period preceding this Agreement, had one or more public transactions or contracts (federal, state, or local) terminated for cause or default.
- e. Contractor shall complete the Debarment Certification Form, attached hereto as Exhibit "B."

27. Conflicts of Interest: Contractor shall exercise reasonable care and diligence to prevent any actions or conditions that could result in a conflict with SACOG's interest. During the term of this Agreement, Contractor shall not accept any employment or engage in any consulting work that would create a conflict of interest with SACOG or in any way compromise the services to be performed under this Agreement. Contractor shall immediately notify SACOG of any and all potential violations of this paragraph upon becoming aware of the potential violation.

28. Political Reform Act Compliance: Contractor is aware and acknowledges that certain contractors that perform work for governmental agencies are "consultants" under the Political Reform Act (the "Act") (Government Code § 81000, et seq.) and its implementing regulations (2 California Code of Regulations § 18110, et seq.). Contractor agrees that any of its officers or employees deemed to be "consultants" under the Act by SACOG, as provided for in the Conflict of Interest Code for SACOG, shall promptly file economic disclosure statements for the disclosure categories determined by SACOG, to be relevant to the work to be performed under this Agreement and shall comply with the disclosure and disqualification requirements of the Act, as required by law.

29. Prohibition of Expending State or Federal Funds for Lobbying:

a. Contractor certifies, to the best of his or her knowledge or belief, that:

- (1) No State or Federal appropriated funds have been paid or will be paid, by or on behalf of the Contractor, to any person for influencing or attempting to influence an officer or employee of any State or Federal agency, a Member of the State Legislature or United States Congress, an officer or employee of the Legislature or Congress, or any employee of a Member of the Legislature or Congress in connection with the awarding of any State or Federal contract, the making of any State or Federal grant, the making of any State or Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any State or Federal contract, grant, loan, or cooperative agreement.
- (2) If any funds other than Federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress, or any employee of a Member of Congress in connection with this Federal Agreement, the Contractor shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

- b. This certification is a material representation of fact upon which reliance was placed when this Agreement was entered into. Submission of this certification is a prerequisite for making or entering into this Agreement imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.
- c. Contractor also agrees by signing this Agreement that he or she shall require that the language of this certification be included in all lower tier subcontracts, which exceed \$100,000, and that all such sub-recipients shall certify and disclose accordingly.

30. Disadvantaged Business Enterprise (DBEs) Participation: This Agreement is subject to Title 49, Part 26 of the Code of Federal Regulations (CFR) entitled "Participation by Disadvantaged Business Enterprises in Department of Transportation (DOT) Financial Assistance Programs." DBE's and other small businesses, as defined in Title 49 CFR Part 26, are encouraged to participate in the performance of agreements financed in whole or in part with federal funds; however, DBE participation is not a condition of award. In any event, Contractor shall complete the DBE Information Form attached to this Agreement as Exhibit "C" so that SACOG may compile statistics for federal reporting purposes.

- a. Non-Discrimination: Contractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this Agreement. Contractor shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by Contractor to carry out these requirements is a material breach of this Agreement, which may result in the termination of this Agreement or such other remedy as SACOG may deem appropriate. Each subcontract signed by Contractor in the performance of this Agreement must include an assurance that Contractor and subcontractor shall not discriminate on the basis of race, color, national origin or sex in the performance of this Agreement.
- b. Prompt Payments of Withheld Funds to DBE and Non-DBE Subcontractors: Contractor shall pay to subcontractor(s) all moneys withheld in retention from the subcontractor within thirty (30) days from receiving payment from SACOG for work satisfactorily completed, even if other work is not completed and has not been accepted in conformance with the terms of the contract. This requirement shall not be construed to limit or impair any contractual, administrative, or judicial remedies otherwise available to Contractor or subcontractor in the event of a dispute involving late payment or non-payment to the Contractor or deficient subcontract performance or noncompliance by a subcontractor.
- c. Records: Contractor shall maintain records of all subcontracts entered into with certified DBE subcontractors and records of materials purchased from certified DBE suppliers. The records shall show the name and business address of each DBE subcontractor or vendor and the total dollar amount actually paid each DBE subcontractor or vendor. The records shall show the date of payment and the total

dollar figure paid to all firms. Upon completion of the contract, a summary of these records shall be prepared and submitted to SACOG.

- d. Termination of a DBE: In conformance with Federal DBE regulation Section 26.53(f)(1) and 26.53(f)(2), Part 26, 49 CFR, Contractor shall not:
- (1) Terminate for convenience a listed DBE subcontractor and then perform that work with its own forces (personnel), or those of an affiliate, unless Contractor has received prior written authorization from the Project Manager of SACOG to perform the work with other forces (other than Contractor's own personnel) or to obtain materials from other sources; and
 - (2) If a DBE subcontractor is terminated or fails to complete its work for any reason, Contractor shall be required to make good faith efforts to replace the original DBE subcontractor with another DBE.
 - (3) Noncompliance by Contractor with the requirements of this paragraph is considered a material breach of this Agreement and may result in termination of the Agreement or other such appropriate remedies for a breach of this Agreement as SACOG deems appropriate.
- e. DBE Certification and Decertification: If a DBE subcontractor is decertified during the life of the contract, the decertified subcontractor shall notify Contractor in writing with the date of decertification. If a subcontractor becomes a certified DBE during the life of the contract, the subcontractor shall notify Contractor in writing with the date of certification. Contractor shall then provide to the Project Manager of SACOG written documentation indicating the DBE's existing certification status.

Any subcontract entered into as a result of this Agreement shall contain all of the provisions of this section.

31. Campaign Contribution Disclosure. Contractor has complied with the campaign contribution disclosure provisions of the California Levine Act (Government Code § 84308) and has completed the Levine Act Disclosure Statement attached hereto as Exhibit "D."

32. Costs and Attorneys' Fees: If either party commences any legal action against the other party arising out of this Agreement or the performance thereof, the prevailing party in such action may recover its reasonable litigation expenses, including court costs, expert witness fees, discovery expenses, and reasonable attorneys' fees.

33. Governing Law and Choice of Forum: This Agreement shall be administered and interpreted under California law as if written by both parties. Any litigation arising from this Agreement shall be brought in the Superior Court of Sacramento County.

34. Integration: This Agreement represents the entire understanding of SACOG and Contractor as to those matters contained herein and supersedes all prior negotiations, representations, or agreements, both written and oral. This Agreement may not be modified or altered except in accordance with Section 12.

35. Severability: If any term or provision of this Agreement or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Agreement, or the application of such term or provision to persons or circumstances other than those to which it is invalid or unenforceable, shall not be affected thereby, and each term and provision of this Agreement shall be valid and shall be enforced to the fullest extent permitted by law, unless the exclusion of such term or provision, or the application of such term or provision, would result in such a material change so as to cause completion of the obligations contemplated herein to be unreasonable.

36. Headings: The headings of the various sections of this Agreement are intended solely for convenience of reference and are not intended to explain, modify, or place any interpretation upon any of the provisions of this Agreement.

37. Authority: Each person signing this Agreement on behalf of a party hereby certifies, represents, and warrants that he or she has the authority to bind that party to the terms and conditions of this Agreement.

38. Ownership; Permission:

- a. Contractor agrees that all work products, including but not limited to, notes, designs, drawings, reports, memoranda, and all other tangible personal property produced in the performance of this Agreement, shall be the sole property of SACOG, provided that Contractor may retain file copies of said work products. Contractor shall provide said work products to SACOG upon request.
- b. Contractor represents and warrants that: (i) all materials used or work products produced in the performance of this Agreement, including, without limitation, all computer software materials and all written materials, are either owned by or produced by Contractor or that all required permissions and license agreements have been obtained and paid for by Contractor; and (ii) SACOG is free to use, reuse, publish or otherwise deal with all such materials or work products except as otherwise specifically provided in Exhibit "A." Consultant shall defend, indemnify and hold harmless SACOG and its directors, officers, employees, and agents from any claim, loss, damage, cost, liability, or expense to the extent of any violation or falsity of the foregoing representation and warranty.

39. Counterparts: This Agreement may be executed in multiple counterparts, each of which shall constitute an original, and all of which taken together shall constitute one and the same instrument.

California Government Code Section 84308

- (a) The definitions set forth in this subdivision shall govern the interpretation of this section.
- (1) "Party" means any person who files an application for, or is the subject of, a proceeding involving a license, permit, or other entitlement for use.
 - (2) "Participant" means any person who is not a party but who actively supports or opposes a particular decision in a proceeding involving a license, permit, or other entitlement for use and who has a financial interest in the decision, as described in Article 1 (commencing with Section 87100) of Chapter 7. A person actively supports or opposes a particular decision in a proceeding if he or she lobbies in person the officers or employees of the agency, testifies in person before the agency, or otherwise acts to influence officers of the agency.
 - (3) "Agency" means an agency as defined in Section 82003 except that it does not include the courts or any agency in the judicial branch of government, local governmental agencies whose members are directly elected by the voters, the Legislature, the Board of Equalization, or constitutional officers. However, this section applies to any person who is a member of an exempted agency but is acting as a voting member of another agency.
 - (4) "Officer" means any elected or appointed officer of an agency, any alternate to an elected or appointed officer of an agency, and any candidate for elective office in an agency.
 - (5) "License, permit, or other entitlement for use" means all business, professional, trade and land use licenses and permits and all other entitlements for use, including all entitlements for land use, all contracts (other than competitively bid, labor, or personal employment contracts), and all franchises.
 - (6) "Contribution" includes contributions to candidates and committees in federal, state, or local elections.
- (b) No officer of an agency shall accept, solicit, or direct a contribution of more than two hundred fifty dollars (\$250) from any party, or his or her agent, or from any participant, or his or her agent, while a proceeding involving a license, permit, or other entitlement for use is pending before the agency and for three months following the date a final decision is rendered in the proceeding if the officer knows or has reason to know that the participant has a financial interest, as that term is used in Article 1 (commencing with Section 87100) of Chapter 7. This prohibition shall apply regardless of whether the officer accepts, solicits, or directs the contribution for himself or herself, or on behalf of any other officer, or on behalf of any candidate for office or on behalf of any committee.
- (c) Prior to rendering any decision in a proceeding involving a license, permit or other entitlement for use pending before an agency, each officer of the agency who received a contribution within the preceding 12 months in an amount of more than two hundred fifty dollars (\$250) from a party or from any participant shall disclose that fact on the record of

the proceeding. No officer of an agency shall make, participate in making, or in any way attempt to use his or her official position to influence the decision in a proceeding involving a license, permit, or other entitlement for use pending before the agency if the officer has willfully or knowingly received a contribution in an amount of more than two hundred fifty dollars (\$250) within the preceding 12 months from a party or his or her agent, or from any participant, or his or her agent if the officer knows or has reason to know that the participant has a financial interest in the decision, as that term is described with respect to public officials in Article 1 (commencing with Section 87100) of Chapter 7. If an officer receives a contribution which would otherwise require disqualification under this section, returns the contribution within 30 days from the time he or she knows, or should have known, about the contribution and the proceeding involving a license, permit, or other entitlement for use, he or she shall be permitted to participate in the proceeding.

- (d) A party to a proceeding before an agency involving a license, permit, or other entitlement for use shall disclose on the record of the proceeding any contribution in an amount of more than two hundred fifty dollars (\$250) made within the preceding 12 months by the party, or his or her agent, to any officer of the agency. No party, or his or her agent, to a proceeding involving a license, permit, or other entitlement for use pending before any agency and no participant, or his or her agent, in the proceeding shall make a contribution of more than two hundred fifty dollars (\$250) to any officer of that agency during the proceeding and for three months following the date a final decision is rendered by the agency in the proceeding. When a closed corporation is a party to, or a participant in, a proceeding involving a license, permit, or other entitlement for use pending before an agency, the majority shareholder is subject to the disclosure and prohibition requirements specified in subdivisions (b), (c), and this subdivision.
- (e) Nothing in this section shall be construed to imply that any contribution subject to being reported under this title shall not be so reported.
