Information**

**Government Relations & Public Affairs Committee**

November 25, 2009

**Draft Executive Order on Floodplain Management**

**Issue:** Consultant Stacey McKinley will update this committee on recent activities related to the draft Executive Order on Floodplain Management.

**Recommendation:** None; this item is for information only.

**Discussion:** Stacey McKinley, consultant to SACOG, will brief the committee on the status of the draft Executive Order on Flood Management as well as the status of the re-write of the Economic and Environmental Principles and Guidelines for Water and Related Land Resources Implementation Studies, dated March 10, 1983.

The Principles and Guidelines (P&G) guide national water resources planning for the U.S. Army Corps of Engineers (USACE) and other federal agencies. McKinley and Mike McKeever will be meeting with Terry Breyman, Associate Director for Natural Resources, Executive Office of the President, Council on Environmental Quality on December 9, 2009. McKinley will brief the committee on planned talking points for that meeting and supporting documentation developed by SACOG staff.
