Yuba County Feather River Boulevard Interchange Funding

Issue: State Transportation Improvement Program (STIP) funding commitment in 2008 between SACOG and Yuba County to use the savings from the Sutter/Yuba Route 70 project for a substitution project in Yuba County.

Recommendation: A recommendation will be made after coordination efforts and analysis are complete.

Discussion: Staff is researching this issue through coordination with Caltrans, the California Transportation Commission (CTC) and Yuba County. A memo and background attachment may be provided in advance of the committee meeting if action is needed in March.
