DATEBOOK

Elk Grove – Rancho Cordova – El Dorado Connector Information Sessions

A key priority in the region is the planning of the Elk Grove-Rancho Cordova-El Dorado Connector linking residential communities and commercial areas between Elk Grove and El Dorado Hills. The Sacramento Area Council of Governments has partnered with the cities of Elk Grove, Rancho Cordova, Folsom, and Sacramento and El Dorado counties to develop new options for multi-modal travel along this corridor. Three identical public information sessions will be held in March to inform residents about the current environmental phase of the project, share information, and answer questions.

Linking communities together—the smart way!
