Key Elements of Planning Scenario

The goal for this group was to provide a variety of housing while utilizing mixed-use development wherever possible. Another priority was to use the retail sites between Rt. 49 and Mikkelson Dr. more efficiently. Specific features of the plan include:

- Converting Easley’s Nursery into a park
- Townhouse development surrounded by open space corridors to the east and west
- Landscape and beautify Rt. 49 to make it pedestrian friendly
- Open space corridor connecting the theater and E.V. Cain Middle School

Resulted in the following changes from the base case:

- Capacity for 600 less employees
- Capacity for 1,100 more dwelling units
- Improved land use mix from 18 to 5 employees per dwelling unit
