Key Elements of Planning Scenario

This group added mid-rise mixed-use housing, reduced retail, created a town center, and linked the center to new pedestrian greenbelts. Specific features of the plan include:

- Some retail jobs replaced by office jobs
- Park and community center with a water feature to serve as a “focal point”
- Reconfigured East Bidwell St. to curve through existing school and widened to four lanes
- Extended Lembi Dr. through to East Bidwell St.
- Along East Bidwell St. mid-rise office with an “old-town feel”

Resulted in the following changes from base case:

- Capacity for 500 fewer employees
- Capacity for 300 more dwelling units
- Improved land use mix from 5 to 3 employees per dwelling unit
