# Blueprint

TRANSPORTATION / LAND USE STUDY

## South Sacramento Neighborhood Workshop

## Blueprint Project

- Regional land use-transportation options for next 50 years
- Neighborhood workshops provide “reality check”—we want your opinions!
- Results will influence county-wide options (public workshops this summer)
- Results will also influence regional options
  - Regional conference: November 7, 2003
  - Region workshops (winter, '03 – '04)
  - Electronic town hall

## What You will do Tonight

- Four planning areas
- Create one or two planning options
  - test drive “smart growth” concepts, tell us what you like and don’t like
- Use maps, menus, stickers and computer software

# Regional Growth

# POPULATION GROWTH AND DECLINE: 1980 TO 2000
