does not want a translator

22-1 PROBLEM OR CONCERN: • It would be useful to larger numbers on
homes & buildings for visually impaired (see below)
the gov't should give incentives to purchase low-
emission vehicles • law to prohibit idling for more
than 1 minute or other specified time

RELATED TO THE FOLLOWING PROJECT OR ISSUES:

Blueprint MTP2035 511 SACOG Website
 Connector Study Air Quality Other _____

RESEARCH: (Include agency identification, name and phone numnbers of contacts etc. Attach any relevant information.)
