Subject: Comment on Draft MTP 2035

Hello:

43-1

Two road projects listed on page 17 of Appendix A2 are not shown on the MTP 2035 Road Network, Fig. 2-5 on pg. 23. These projects are to widen Cypress Ave to 4 lanes between Pasadena Ave. and Manzanita Ave. and to widen Fair Oaks Blvd. to 6 lanes between Engle Rd. and Marconi Ave. Why are they not shown. They are long standing much needed projects.

Thanks for the opportunity to comment on this inconsistency.
