MTP2035 Principles

SACRAMENTO REGION
MTP2035
METROPOLITAN TRANSPORTATION PLAN
THE NEXT STEP IN BLUEPRINT

1. **Access & Mobility**
   Improve opportunities for businesses and citizens to easily access goods, jobs, services and housing.

2. **Equity & Choice**
   Provide real, viable travel choices for all people throughout our diverse region.

3. **Economic Vitality**
   Efficiently connect people to jobs and get goods to market.

4. **Environmental Quality & Sustainability**
   Minimize transportation impacts on the environment for cleaner air and natural resource protection.

5. **Financial Stewardship**
   A transportation system that delivers cost-effective results that are feasible to construct and maintain.

6. **Smart Land Use**
   Design a transportation system to support good growth patterns, including increased housing and transportation options and focusing more growth inward.

Principles Response Card

Rank your two top principles, offer any additional principles, tear off and give to your discussion leader.

TABLE NUMBER _____

WORKSHOP LOCATION _____

Write the number of the two principles most important to your community.

First Priority _____

Second Priority _____

Are there any other principles that are important to you in forming your opinion about what transportation investments you recommend we make?
