|   |  | Transit     | n/a  | n/a     | n/a     | n/a     |

Notes: -All times are AM peak period (3-hour) averages  
 -Auto times include only time "on the road", and exclude time spent looking for parking, parking, and walk to final destination.  
 -If no time difference between drive alone and carpool time, the route does not include an HOV facility.  
 -Transit times include initial wait for bus/train, in-vehicle time, and any time spent transferring from on line to another.  
 -Transit times exclude walking to the first transit stop, and walking from last transit stop to final destination.  
 -Transit time reported as "n/a" means transit route not available for this trip.
