**MTP 2030 Workshops**

With nearly \$30 billion in transportation investments being considered across the six-county region over the next 23 years, the Sacramento Area Council of Governments (SACOG) and civic partner Valley Vision are teaming up for sixteen community workshops planned between February and June. Community workshops for Metropolitan Transportation Plan for 2030 (MTP2030) are planned across the Sacramento, Placer, El Dorado, Sutter, Yolo and Yuba counties. The workshops will be fun and interactive, affording citizens time to map transportation investments and see the results of their virtual planning.
