MTP2030
 METROPOLITAN TRANSPORTATION PLAN
 THE NEXT STEP IN BLUEPRINT

Warm-Up Question:

To begin, what are the most important ideas suggested in the video about the MTP2030?

Challenge Identification:

Today, what are the biggest specific challenges for travel **WITHIN** your political jurisdiction?

Today, what are the biggest specific challenges for travel **BETWEEN** your political jurisdiction and other areas within the region?

Thinking ahead to the many national, regional and local forces at play in the near future, how do you expect transportation challenges in our area to differ in 10 to 25 years from now versus what we face today?

What are the most significant ways in which transportation challenges will change in the next 10 to 25 years? Describe future challenges and provide rationale as to why they will be significant for us in this area.

Planning Game Feedback:

What additional transportation options will you want considered in the process that are not already there?

What information and analysis will you want before deciding on a preferred transportation scenario for 2030 at the end of the MTP process?

What advice do you have for the staff to effectively keep all of you actively involved and informed throughout the process?
