SACRAMENTO REGION
MTP 2030
METROPOLITAN TRANSPORTATION PLAN
THE NEXT STEP IN BLUEPRINT

AS OF JANUARY 2006

We want to hear from you!

How will we get to work in 25 years? How will we move goods in and out of our region? You have a say in determining where transportation dollars are spent. Don't be left out of the discussion!

SACOG is updating the Sacramento region's Metropolitan Transportation Plan, or MTP 2030. Join community members, industry representatives, elected officials and others to map out our transportation future using interactive technology at a workshop in your area!
