Speakers Bureau

The Sacramento Area Council of Governments (SACOG) provides speakers for local community events to discuss a variety of topics related to land-use planning, transportation issues, and connections between the rural and urban parts of the six-county Sacramento region.

Topics

Important regional issues have a huge effect on the quality of life for residents. Some of the issues SACOG staff can address in a community presentation include:

- The Blueprint project and how land-use planning affects communities
- The Metropolitan Transportation Plan and how the community can provide input
- Public engagement and interactive workshop facilitation
- The Rural-Urban Connections Strategy
- SACOG and regional data analysis
- Safe bicycle commuting
- Carpooling and vanpooling

Availability

Speakers are available to community organizations, schools, government agencies, professional associations, and interest groups at no charge.

Staff may not always be available, so please try to give at least two weeks notice.
