Attention: Peter Kang

Dear Mr. Kang:

SACOG, using the authority delegated to it by Caltrans, approves Administrative Modification # 20 the SACOG 2023-26 Metropolitan Transportation Improvement Program (MTIP). This constitutes an administrative modification to the Federal Statewide Transportation Improvement Program (FSTIP). The changes are consistent with the FSTIP Amendment and Administrative Modification Procedures. The approved changes will not impact SACOG’s financial constraint or the region’s air quality conformity.

The SACOG Board has delegated the authority to approve administrative modifications to SACOG staff. Further, administrative modifications do not require the approval of Caltrans, the Federal Highway Administration, or the Federal Transit Administration. And, since administrative modifications do not require public review, the changes are now included in California’s 2023 FSTIP.

If you have any questions, please contact Miguel Mendoza at [mmendoza@sacog.org](mailto:mmendoza@sacog.org).

Sincerely,

*Clint Holtzen*
