Report on Contracts Under \$60,000

Issue: Report on contracts under \$60,000 from October 1, 2014 through December 31, 2014.

Recommendation: This is an information only item.

Discussion: The SACOG Board approved the updated Purchasing Policy and Procedures at its June 2013 meeting. The adoption of the updated policy included an increase in the Chief Executive Officer's contracting authority from \$20,000 to \$50,000. At its December 2014 meeting, the Board increased the contract authority from \$50,000 to \$60,000, with a condition that staff would summarize quarterly the contracts under this new authority and summarize anticipated new contracts for the next quarter. The attachment comprises the contracts granted between October 1, 2014 and December 31, 2014, and the anticipated contracts that we expect to enter into between January 1, 2015 and March 31, 2015.
