Approve the Transportation Development Act Claim for the City of Galt

Issue: The Transportation Development Act (TDA) authorizes eligible cities, counties, and transit operators to receive TDA funds for transportation purposes and street and road projects. The TDA funds are made available from sales tax receipts.

Recommendation: Staff recommends that the Board approve this summary resolution of the TDA claim listed below.

1. City of Galt FY 2011-12 in the amount of \$954,516 Resolution No. 23 – 2013

Committee Action/Discussion: Current Board policy calls for routine TDA allocations to cities, counties, and transit operators to come directly to the Board without review by a committee. These funds will be used as authorized by law for various purposes and in the amounts shown on the attached resolution. The claim has been reviewed by staff and found to be in compliance with the TDA and is consistent with the Metropolitan Transportation Plan and the Short-Range Transit Plans.
