State Advocacy Update

Issue: Update on state advocacy issues.

Recommendation: None; this item is informational.

Discussion: The Legislature and the Administration are working on many different issues of interest to the Board. Staff will present a legislative update at the committee meeting, including the status of bills we are tracking and state budget deliberations. At this time, staff has no legislative action items for the committee. If issues requiring committee action arise before the committee meeting, staff will send a revised item, or follow SACOG's advocacy procedures for urgent matters if necessary.
