

Board of Directors Regular Meeting

Meeting Date: 4/19/2018

Agenda Item No.: 2018-April-15.

SACOG Board of Directors

Subject: Approve Houston-Galveston Area Council's Cooperative Purchasing Partnership Agreement (Est. time: 0 minutes)

Consent

Prepared by: Conor Peterson

Approved by: James Corless

Attachments: Yes

1. Issue:

Should SACOG establish a partnership with the Houston-Galveston Area Council's cooperative purchasing unit, HGACBuy?

2. Recommendation:

The Government Relations & Public Affairs Committee recommends that the Board of Directors delegate authority to the Chief Executive Officer to negotiate and execute a partnership agreement with HGACBuy.

3. Background/Analysis:

HGACBuy is a nationwide, government procurement service striving to make the governmental procurement process more efficient. HGACBuy is known for handling complex procurement for capital equipment, emergency vehicles, and big ticket infrastructure items, and has a contract database that provides access to nearly 7,000 products and services. Using HGACBuy's procurements would save substantial time and staff costs by not having to design scopes of work and administer contracts in-house. All contracts available to participating members of HGACBuy have been awarded through a public competitive procurement process compliant with California Law.

4. Discussion/Analysis:

Continuing to build on 2018 work plan goal number eight, building out the Council of Government functions, this partnership would provide our member agencies with access to cooperative contracts available through the Houston-Galveston Area Council's HGACBuy. HGACBuy contracts are available as on demand or as-needed. This service further supports our Local Government Services contracting arm's mission to offer cost savings through bulk purchase and saves substantial time by reducing overhead costs required to complete a competitive solicitation process.

5. Fiscal Impact/Grant Information:

There is no cost to participate for any local government agency interested in purchasing through HGACBuy's program. As shown in attachment A, nine local government entities in our region have already made purchases through HGACBuy. This partnership would instead be a symbiotic relationship with SACOG assisting in back end purchasing and being given a portion of an administrative fee charged directly to the contractors. This administrative fee would be used locally to support regional and cooperative efforts under SACOG's Local Government Services.
