### **Blueprint Implementation Activities**

The purpose of this item is to regularly inform the board of SACOG land use related activities in support of local implementation of the Blueprint principles. SACOG conducts the following Blueprint Implementation Land Use Activities in response to requests from member agencies and/or developers or non-governmental organizations: 1) provision of data and/or technical support to member agencies implementing the Blueprint; 2) review and comment on development proposals regarding their consistency with the Blueprint principles or the MTP/SCS; and 3) educational presentations on the Blueprint.

In July and August, SACOG staff conducted the following Blueprint Implementation land use activities:

- Responded to a Notice of Preparation of a draft environmental impact report for the General Plan Update in Elk Grove (letter attached).
- Responded to a Notice of Preparation of a draft environmental impact report for the Lincoln 40 project in Davis (letter attached).
- With funding from a third round Strategic Growth Council grant, continued work with El Dorado County on community planning in Cool and continued work with the City of Isleton for long range planning services by serving as contract administrator to the City's two planning consultants.
- Continued tracking and agency coordination on the Affordable Housing and Sustainable Communities (AHSC) cycle 3.
