Revised Sacramento County Local Transportation Fund Findings of Apportionment for Fiscal Year 2014/15

Issue: Review and approve the amended Sacramento County Local Transportation Fund Findings of Apportionment for Fiscal Year 2014/15.

Recommendation: That the Government Relations & Public Affairs Committee recommend that the SACOG Board approve the revised Sacramento County Local Transportation Fund Findings of Apportionment for Fiscal Year 2014/15.

Discussion: While preparing the estimates for the Findings of Apportionment for FY2015/16 the County of Sacramento has identified \$1,300,000 of additional funds that are available for distribution in FY2014/15. The Sacramento Regional Transit District and other agencies in Sacramento County have expressed their desire that these funds be made available for current operations. To make these funds available in the current Fiscal Year, SACOG staff has prepared this amendment to the Findings of Apportionment for FY2014/15.

Attachment A identifies the latest amendment to the Findings of Apportionment for Sacramento County and indicates the amount of Local Transportation Funds each claimant within the county will be eligible to receive. Attachment A has been modified slightly from previous forms as requested by the TDA audit.

Attachment B compares the latest amendment of the Findings of Apportionment with the previous Findings of Apportionment. In accordance with the TDA laws, the LTF funds are apportioned on a pro-rata basis using population estimates published by the California Department of Finance.
