Item #13-3-2
Consent

March 14, 2013

Approve the Transportation Development Act Claim and Allocation of Local Transportation Funds to Sutter County

Issue: The Transportation Development Act (TDA) authorizes eligible cities, counties, and transit operators to receive TDA funds for transportation purposes and street and road projects. Local Transportation Funds (LTF), a component of the TDA, are derived from a ¼ cent of the general sales tax collected statewide.

Recommendation: Staff recommends that the Board approve this summary resolution of the TDA claim(s) listed below.

1. Sutter County FY 2011-12 in the amount of \$843,647 Resolution No. 26-2013

Committee Action/Discussion: Current Board policy calls for routine TDA allocations to cities, counties, and transit operators to come directly to the Board without review by a committee. These funds will be used as authorized by law for various purposes and in the amounts shown on the attached resolutions. The claims have been reviewed by staff and found to be in compliance with the TDA statutes and are consistent with the Metropolitan Transportation Plan and the Short-Range Transit Plans.
