Approve the Transportation Development Act Claim for the City of Winters

Issue: The Transportation Development Act (TDA) authorizes eligible cities, counties, and transit operators to receive TDA funds for transportation purposes and street and road projects. The TDA funds are made available from sales tax receipts.

Recommendation: Staff recommends that the Board approve this summary resolution of the TDA claim listed below.

1. City of Winters for **\$306,346**

Resolution No. 62-2017

Discussion: Current Board policy calls for routine TDA allocations to cities, counties, and transit operators to come directly to the Board without review by a committee. These funds will be used as authorized by law for various purposes and in the amounts shown on the attached resolutions. The claims have been reviewed by staff and found to be in compliance with the TDA and are consistent with the Metropolitan Transportation Plan/Sustainable Communities Strategy and the Short-Range Transit Plans.
