Approve the Transportation Development Act Claims for the City of Isleton and the City of Yuba City

Issue: The Transportation Development Act provides that cities, counties, and transit operators are eligible to receive certain funds for transportation purposes and street and road projects. The funds are made available from sales tax receipts. The city of Isleton and the city of Yuba City have filed their claims for FY 2010-2011 and FY 2011-2012.

Recommendation: Staff recommends that the Board approve by resolution the FY 2010-2011 Transportation Development Act claim for the city of Isleton and the FY 2011-2012 claim for the city of Yuba City.

|--|-------------------------|
| 1. City of Isleton FY 2010-2011 in the amount of \$76,990 | Resolution No. 1 – 2011 |
| 2. City of Yuba City FY 2011-2012 in the amount of \$1,409,549 | Resolution No. 2 – 2011 |

Committee Action/Discussion: Current Board policy calls for routine Transportation Development Act allocations to cities, counties, and transit operators to come directly to the Board without review by a committee. These funds will be used for various purposes as authorized by law in the amounts to be shown on the resolution. The claim has been reviewed by staff and found to be in compliance with the Transportation Development Act. The claims are also consistent with the Metropolitan Transportation Plan and the Short Range Transit Plans for Sacramento County and the Yuba-Sutter Transit.
