

Bicycle & Pedestrian Advisory Committee

July 18, 2012

Folsom Boulevard Infrastructure Project

Issue: What is the Folsom Boulevard Infrastructure Project?

Recommendation: None; for information only.

Discussion: Judy Robinson with Sacramento County will provide the Committee with an overview of the Sustainable Communities Planning grant Sacramento County received from the Strategic Growth Council to implement transit-oriented development at five transit stations along Folsom Boulevard and the Regional Transit Gold Line. Community Workshops and walk audits have been completed that identify barriers and gaps in walkability and connecting the existing community to transit and other services in the community. Preliminary audit and workshop outcomes will be shared by Paul Zykofsky of the Local Government Commission.
