

Item #16-9-3

**Government Relations & Public Affairs Committee      Action**

August 19, 2016

**Approve Appointment to Regular Position of Analyst II**

**Issue:** Should Conor Peterson be appointed to the regular position of Analyst II?

**Recommendation:** That the Government Relations & Public Affairs Committee recommend that the Board authorize the Chief Executive Officer (CEO) to appoint Conor Peterson to the regular position of Analyst II.

**Discussion:** In September 2015, after successfully performing as a graduate student intern, SACOG created a position focused on shared services and appointed Conor Peterson as Acting Analyst II. SACOG's personnel rules allow that after 12 months in an acting position, the Board may approve a regular status for acting appointments made by the CEO. Mr. Peterson has performed well in his new position over the course of the year, contributing significantly to the agency's shared services initiatives. Mr. Peterson is currently appointed through June 2017 as a limited term employee. The CEO has the discretion to extend the term of appointment, but Board approval is required to remove the "acting" status.
