

Item #16-6-5

Government Relations & Public Affairs Committee Action

May 27, 2016

TransitCenter Grant Applications

Issue: If SACOG is invited, should the Board authorize the submission of one or more grant proposals to the TransitCenter?

Recommendation: That the Government Relations & Public Affairs Committee recommend that the Board authorize submission of invited applications to the TransitCenter for grant funding.

Discussion: The TransitCenter, a national foundation committed to improving urban mobility, has an annual program that provides grants to projects that help improve public transportation and connect unlikely partners. SACOG submitted two letters of interest in April for potential grant projects. On June 1, we will be notified whether we are being invited to submit full proposals. If so, we will provide details to the Committee and seek authorization to submit the applications.
