1. Issue:

Should the Board approve a resolution for reporting and paying the value of CalPERS employer-paid member contributions (EPMC) for FY 2018/19?

2. Recommendation:

That the Government Relations & Public Affairs Committee recommend that the Board approve the resolution for reporting and paying the value of EPMC for FY 2018/19, for retirement tiers I and II.

3. Background/Analysis:

In January 2007, SACOG began a new contract with CalPERS that stipulated that SACOG would pay 7 percent EPMC and employees would pay 1 percent. In July 2008, SACOG began reducing the EPMC.

4. Discussion/Analysis:

Effective July 1, 2018, per the Memorandum of Understanding (MOU) with the SACOG Employees Association approved by the Board of Directors in February 2017, SACOG's EPMC will be reduced to 0.1 percent for Tier I employees, and 0 percent for Tier II employees. PEPR Tier employees already receive no EPMC.

This resolution is an administrative implementation of the MOU. SACOG is required to adopt a resolution or ordinance when the EPMC rate changes pursuant to California Code of Regulations Section 571(a)(1). The attached resolution fulfills the regulatory requirement.

5. Fiscal Impact/Grant Information:

This action implements additional cost-sharing on the part of SACOG employees. All employees hired before November 2011, will pay an additional 1 percent in CalPERS contributions, and employees hired between November 2011 and December 2013, or those not covered by PEPRRA, will pay an additional 1.1 percent in CalPERS contributions. This is estimated to save SACOG \$42,000 in fiscal year 2018/19. When combined with prior reductions in EPMC and future realized savings, this will help contribute to SACOG's ability to weather future CalPERS rate increases.
