

Bicycle & Pedestrian Advisory Committee

April 18, 2012

Regional Bicycle, Pedestrian, and Trails Master Plan Policy Subcommittee

Issue: What is the Regional Policy subcommittee membership?

Recommendation: That the Bicycle and Pedestrian Advisory Committee approve membership to the Subcommittee.

Discussion: Following adoption of the Regional Bicycle, Pedestrian and Trails Master Plan (Master Plan) in June 2011, the Transportation Committee discussed the need to develop regional scale policies for the next Master Plan update. Currently, the Master Plan only contains goals and objectives. The Master Plan is updated every two years, and the next update will begin early 2013, with a planned adoption date in June 2013. SACOG staff agreed to work with the Bicycle & Pedestrian Advisory Committee (BPAC) and a subcommittee made up of volunteers from other advisory committees for the purposes of developing regional bicycle and pedestrian policies to guide the next Master Plan update.

At the January BPAC meeting, the committee discussed and identified the types of representatives that should serve on the sub-committee, such as representatives with diverse geography, community types, and areas of expertise. Over the past few months, SACOG staff has sought volunteers from the following advisory committees: Bicycle & Pedestrian Advisory Committee, Planner’s Committee, Regional Planning Partnership, Transit Coordinating Committee, and the Transportation Demand Management Task Force. A significant number of individuals volunteered, and the selection process was based on the criterion identified at the last BPAC meeting. Below is the list of recommended subcommittee members.

Name	Agency
Dan Klinker	Sacramento County Department of Transportation
Eric Fredericks	Caltrans
Greta Vohlers	City of West Sacramento
JJ Hurley	Sacramento Metropolitan Air Quality Management District
Jim Konopka	City of Folsom
Petrea Marchand	Yolo County Office of the County Administrator
Tricia Hedahl	Sacramento Area Bicycle Advocates
Van Boeck	Yuba County Public Works
