

SACOG Board of Directors

Item #17-1-7 Action

January 12, 2017

Public Hearing: Unmet Transit Needs in the Sacramento Regional Transit District, Sacramento, Sutter, Yolo, and Yuba Counties, and the Cities Therein

Issue: The Transportation Development Act (TDA) requires that SACOG, as the four-county Regional Transportation Planning Agency, make annual unmet transit needs findings for the Sacramento Regional Transit District (SRTD) and for jurisdictions eligible to use TDA funds. SACOG must hold a final public hearing before the Board prior to the Unmet Transit Needs findings being finalized.

Recommendation: The Strategic Planning Committee recommends that the Board hold a public hearing on unmet transit needs at its January 19, 2017 meeting. Staff will then bring recommended SACOG Unmet Transit Needs findings to the Board for consideration and approval in the February cycle.

Committee Action/Discussion: State TDA statute established a Local Transportation Fund (LTF) for each county. LTF revenues are derived from 1/4 cent of the state retail sales tax and are returned to each county according to the amount of tax collected. LTF funds are apportioned to jurisdictions within each county on a population basis.

In Sacramento County, the LTF apportioned to jurisdictions located within the SRTD may only be used for transit service. However, jurisdictions located outside of the SRTD may use their LTF apportionments for streets and roads projects, provided they have no unfunded transit requests that meet SACOG's adopted definition of "unmet transit needs" that are "reasonable to meet."

It is the responsibility of the SACOG Board to make annual Unmet Transit Needs findings for Sacramento, Sutter, Yolo and Yuba Counties and the cities therein, and SRTD. SACOG plans to hold the final public hearing for the FY 2017-18 Unmet Transit Needs process at the January 19, 2017, Board meeting. This final public hearing is being held prior to bringing recommended findings to the Board for their review and approval in February, to allow time to analyze any new comments received at the final hearing.

Approved by:

Kirk E. Trost
