

Sample initial survey questions

Survey is taken one time when you first sign up for Cycle Sac.

The screenshot shows the CycleSac app interface. At the top, there is a status bar with icons for location, Bluetooth, signal strength, and battery, along with the time 9:04. Below the status bar is the app header with the CycleSac logo and a 'SAVE' button. A navigation bar contains four tabs: 'RECORD', 'TRIPS', 'NOTES', and 'SETTING', with 'SETTING' being the active tab. The main content area features a grey button labeled 'Get started with CycleSac'. Below this is the heading 'Tell us about yourself'. The form includes several input fields: 'Age', 'Email' (with the placeholder 'name@domain'), 'Gender', 'Ethnicity', and 'Home Income'. A section titled 'Your typical commute' contains 'Home ZIP' and 'Work ZIP', both with the value '12345'. At the bottom, there is an Android-style navigation bar with back, home, and recent apps icons.

The screenshot shows the CycleSac app interface, continuing from the previous screen. The status bar at the top shows 'Saving screenshot...' and the time 9:04. The app header and navigation bar are identical to the previous screen. The main content area continues with the 'Home Income' field. Below it is the heading 'Your typical commute', followed by 'Home ZIP', 'Work ZIP', and 'School ZIP', all with the value '12345'. The next section is 'How often do you cycle?', with the label 'Cycle Frequency'. This is followed by 'What kind of rider are you?' with the label 'Rider Type'. The final section is 'How long have you been a cyclist?' with the label 'Rider History'. At the bottom, there is an Android-style navigation bar with back, home, and recent apps icons.

Sample Trip Purposes

Trip purpose is recorded once per trip recorded using Cycle Sac.
