

Item #14-9-9

Government Relations & Public Affairs Committee Information

August 29, 2014

Regional Air Quality Planning Update

Issue: What is the status of the various state implementation plans in the SACOG region?

Recommendation: None. This is for information and discussion.

Discussion: Larry Greene from the Sacramento Metropolitan Air Quality Management District will lead the discussion on current air quality planning efforts in the SACOG region. His presentation will highlight activities that will be concurrent with the 2016 Metropolitan Transportation Plan/Sustainable Communities Strategy development and adoption.
