Subject: Next Generation Transit: Challenges, Disruptions & Opportunities

Information:

Prepared by: Matt Carpenter

Approved by: Matt Carpenter

Attachments: No

1. Issue:

How should the Sacramento region prepare for the future of public transit given the coming disruptions in technology, funding, and new private sector mobility providers entering the marketplace?

2. Recommendation:

None, this item is for information only.

3. Background/Analysis:

This project is related to Goal #6 from the 2018 SACOG Work Plan concerning the future of transit. At your October 2017 retreat, the board asked SACOG staff to lead a regional effort investigating the future of public transit and what it means for current transit policies and priorities.

4. Discussion/Analysis:

Jeffrey Tumlin is a Principal and Director of Strategy at Nelson Nygaard Consultants. He will provide a presentation about the challenges and opportunities for the future delivery of public transit services.

5. Fiscal Impact/Grant Information:

None, this item has no impact on SACOG's operating budget at this time.
