State Advocacy Update

Little has changed since the March GRPA Committee meeting with regards to the legislation SACOG is tracking. The Legislature is on spring recess for the last two weeks of March. The deadline for bills to pass out of a policy committee is April 22, and bills must pass out of fiscal committees by May 27. Attached is a list of the legislation that staff has identified that may be of interest to SACOG. Staff will return in later committee meetings if there are specific pieces of legislation where staff recommends taking a position.

The major issue of transportation funding is still not clear. The special session called by the Governor in 2015 is still in place, but has not made progress. Staff is continuing to monitor these issues and will report back to the committee and full Board.
