RPP Survey Assessment

Recommendation: None; this item is for information only.

Discussion: SACOG emailed a survey to the RPP e-mail list in January 2014. A total of 44 people responded to the survey. The survey sought to understand why people attend the RPP, what topics should be discussed at meetings, what improvements could be made, and in what format topics should be presented.

SACOG staff is reviewing the information. At a future meeting, staff will present an analysis of the findings and some suggested improvements for discussion.
