SACOG Board of Directors

June 9, 2016

Approve TransitCenter Funding Applications

Issue: Should the Board authorize the submission of funding applications to the TransitCenter?

Recommendation: The Government Relations & Public Affairs Committee recommends that the Board authorize submission of invited applications to the TransitCenter for funding.

Committee Action/Discussion: The TransitCenter, a national foundation committed to improving urban mobility, has an annual program that provides grants to projects that help improve public transportation and connect unlikely partners. SACOG submitted two letters of interest in April for potential projects.

The TransitCenter has now invited the submission of full proposals for both projects, one for assistance with Level of Service alternatives for SB 743 implementation, and one for a Transportation Demand Management (TDM) Performance Measurement project.

Approved by:

Mike McKeever
Chief Executive Officer
