Blueprint Implementation Activities

The purpose of this item is to regularly inform the Committee of SACOG land use related activities in support of local implementation of the Blueprint principles. SACOG conducts the following Blueprint Implementation Land Use Activities in response to requests from member agencies and/or developers or non-governmental organizations: 1) provision of data and/or technical support to member agencies implementing the Blueprint; 2) review and comment on development proposals regarding their consistency with the Blueprint principles or the MTP/SCS; and 3) educational presentations on the Blueprint.

In October, SACOG staff conducted the following Blueprint Implementation land use activities:

- With funding from a third-round Strategic Growth Council grant, planning for economic and community revitalization consultant Michele Reeves to make site visits and conduct workshops in selected communities in the region.
- Hosted and participated in a conference call for the SB 743 Technical Advisory Committee.
- Continued tracking and agency coordination on the Affordable Housing and Sustainable Communities (AHSC) cycle 3. Applications are due January 16, 2018.
- Hosted a webinar for member agencies; the webinar provided an overview of the housing laws recently signed by the Governor.
